About:

Martex Apparel has come a long way and started business as a fabric and accessories provider and grown consistently as a valuable service provider of expanded garments industry. MD.ARIFUL ISLAM is founder of Martex Apparel who establish this company 2 years back in year 2024 and started trading business in Garments sector 2018. Prior to that he had completed his study on Textile engineering from Bangladesh university of Textile and started his Career in dyeing production but he had planned to start business and to make something his own. He build up a strong sourcing strength and build up a young energetic team with full of expertise's on their own field and offered customer to be "Your Trusted Apparel Sourcing Partner" by creating true benefits in your supply chain.

OUR SERVICES

Supplier Credibility: Martex Apparel developing team take great care to ensure the quality, desired weight, construction and color, we evaluate the capacity and capability of every factory. Martex Apparel also check environmental control, safety laws, labor practices and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reaching the average number of pieces produced as per buyer's requirement at a given period of time to meet schedule.

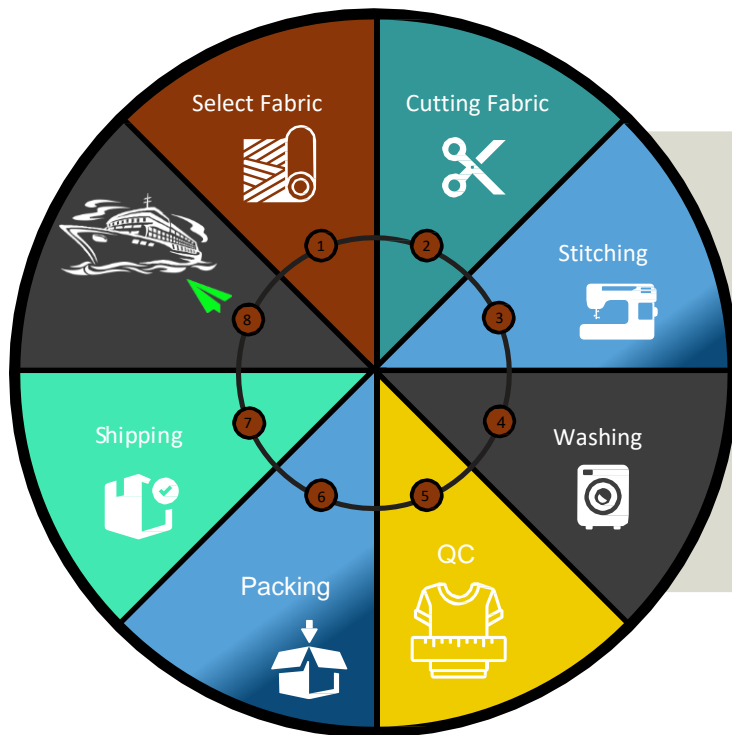

Sourcing: Martex Apparel maintains strong exclusive relationships with many of the yarn and fabric mills and the accessories suppliers. Upon placement of orders, we check right way and control the quality of all garment inputs such as yarn, fabric, accessories, labeling and coordinates timing of their procurement and its timely delivery. We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design etc.

Sampling: We develop and provide samples as per buyers design, fabric quality, weight, shrinkage, color fastness, specifications etc. to obtain buyers approval before heading to production through our professional staff of Merchandisers and Quality Controllers who always keep a close check on sampling and production.

Quality Control / Assurance : Our Quality Controllers visit the factory regularly to make sure we meet our buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet according to buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final shipment of goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.

Packaging: Only approved goods are packed and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instructions of the buyer are respected.

Shipment/Cargo Handling: All shipping documents are reviewed and verified as per buyer instruction. All cargo is handled by reputable forwarder to obtain correct information regarding ETD and ETA of vessels because time delivery is as important for us as it is to the buyer
